It is a fact that when it comes to your brain, it's a use it or lose it. On average, humans engage in brain exercises every day. We work crossword puzzles, play challenging video games, and solve problems at work and so on. But what about our dog?

Dogs need brain stimulation just as humans do. There are several **brain games for dogs** which are excellent ways to exercise his mind while bonding with him at the same time. Many games provide physical work-outs into the mix. Not only are these games effective in enhancing brain function in your dog, they are rewarding for both your dog and you and best of all...they are fun!

Whether your dog is an average adult, a young puppy, a senior or even handicapped, this book has brain training games for all. No dog is left behind.

In this book you will not only learn **tricks to teach your dog**, but also his brain and how it correlates with the humans. You will be amazed at the similarities and just what he is capable of learning.

Learn **interactive games to teach your dog**, on his own turf where he is most likely to be comfortable. Having a Ball: The Muffin Tin Game is a great indoors game that helps your dog exercise his memory. For

the backyard, Brainy Tug of War is a favorite that encourages him to follow various commands while getting physical exercise and having fun as well.

Word Games for dogs are excellent to help your pooch stretch his vocabulary which is very important because the verbal auditory part of the brain is one that you and your dog both share so keeping it in tip-top shape helps ensure a strong bond between the two of you.

These **dog tricks** can be done in very small spaces like tiny apartments or in the garden. Bowling Fetch is an especially fun game as well as Garden Brain Games. Both **train your dog** in order to exercise his listening skills and following instructions.

Scent games give your dog the upper hand since that is a prime part of his brain. The games detailed in this book will incorporate his excellent sense of smell with problem solving exercises, memory and other learning skills.

Take the lessons to the water if your dog loves the lake or pond. You can even do them on the beach. Water Logged Tricks and Water Fetch add an extra twist to brain games in that they are done within the water, adding an extra sensory effect in the mix.

With this fun dog activity book, you will learn to challenge your dog in order to use more of his brain so he will actually become more intelligent. In this way, you will also encourage him to keep his brain active because, just as humans, it's use it or lose it. So, read on and get ready to have the smartest pooch on the block because a dog whose owner spends time teaching him is not only brilliant but enormously happy, too!
