First as a runaway bestselling novel and then as a blockbuster movie, The Da Vinci Code has fascinated millions. Its allegations against historic Christianity are colorfully portrayed---but are they true, or merely inaccurate accounts of centuries-old myths and heresies? * Has the true historical record been suppressed? * Were eighty different gospels contending for the New Testament? * Was Mary Magdalene really directed to lead the church? * Does a secret society keep Jesus' bloodline hidden? * Is the divinity of Jesus the fabrication of a third-century church council? * How accurate is the research behind these and other assertions in The Da Vinci Code? Enjoy riveting DVD interviews with noted experts---and prepare for some lively discussions as your group explores provocative issues raised by The Da Vinci Code. Four sessions address the following questions: 1. What Can History Really Tell Us? 2. Can We Trust the Four Gospels? 3. What's the Role of Women in Christianity? 4. Is Jesus Really the Son of God? This DVD-guided small group forum is designed for use with an accompanying participant's guide that includes discussion questions, sidebar information, background material, Bible verses, and relevant quotes. Each session includes interviews with experts and concludes with facilitator Lee Strobel's perspective. Also available: Discussing the Da Vinci Code Participant's Guide
