Freelance Design in Practice

Cathy Fishel

Freelance Design in Practice Cathy Fishel

As a designer, it's easy to take on a freelance project here and there to expand your creativity and increase your income. But very quickly, such projects begin to have legal and financial ramifications. *Freelance Design in Practice* addresses these issues as well as explaining exactly what it takes to create a full-time freelance business. For both active freelancers and those who aspire to it, *Freelance Design in Practice* offers insight and advice from working professionals who have successfully jumped the many hurdles on the road to becoming solo practitioners.
