MARRIAGE REUNITED (Mills & Boon comics) Jessica Hart

After four years of living apart, Georgia's husband, Mac, shows up at her door one day in order to make things right again. The moment Georgia feels his lips and gentle touch for the first time in years, all the old memories come rushing back in a wave of desire that threatens to drown her resolve. Georgia never liked having to stay at home worrying while Mac's job as a photojournalist dragged him from one war-torn country to the next. She vows that no matter how compatible their bodies might be, things will never go back to the way they were. But as Mac persistently tries to wedge his way back into her life, long lost memories begin to revive within Georgia.
