## **Seduced (Surrender, Book 3)** Melody Anne

At the end of *Submit*, Arianna Harlow had enough pride in herself to walk away from Rafe Palazzo, who had started their relationship using blackmail. Though she'd fallen in love with him, she was strong enough to say goodbye. We saw the softer side of Rafe, especially toward the end, but it was too late...

Or was it?

*Seduced* begins almost two years after Ari starts her new life. She is teaching at a community college, and when she asks the class whether they have any questions for her, Rafe is there and has only one: Will you go on a date with me?

What is Ari's answer? You'll find out in the third installment of Melody Anne's New York Times best-selling series, *Surrender*.

Along with Ari's story, we will see what happens when Shane and Lia become trapped together on an island when a tropical storm hits, and how the sparks will fly again.

And we can't forget about Rachel Palazzo, who isn't looking for love, but finds it in a shocking way.

This story continues the lives of Ari, Lia and Rachel. These three women are resilient, determined, and worth loving. The question is, whether the men in their lives strong enough to keep them.
