Werewolf: A True Story of Demonic Possession Ed Warren, Lorraine Warren, William Ramsey, Robert David Chase

The legend of the werewolf is as old as man himself. From Ed and Lorraine Warren, the world's most famous demonologists, comes perhaps their most incredible and horrifying case: the true story of William Ramsey, whose bizarre seizures terrified the English town of Southend-on-Sea. Believing Ramsey to be a victim of demonic possession, the Warrens arranged for the rite of exorcism to be performed. Not since the exorcist shocked the nation has there been such a such a horrifying account of a supernatural battle between good and evil within the soul of one human. Don t miss the Warrens' blockbuster films The Conjuring and Annabelle (in theaters October, 2014.) Books by Ed & Lorraine Warren also include Graveyard, Ghost Hunters, The Haunted, In a Dark Place, and Satan's Harvest.
