China's Outbound Foreign Direct Investment Promotion System (Research Series on the Chinese Dream and China's Development Path) Changhong Pei, Wen Zheng

This book outlines China's current overseas investment promotion system, analyzing the general situation and the main problems arising during its development. Based on investigations of both the historical and present-day contexts of outbound investment, the book suggests improvements to overseas investment promotion to protect China's enterprises from various aspects of the system including legal, regulatory, fiscal, intellectual property rights and standardization, risk prevention, foreign trade and economic cooperation zones to promote overseas securities investment promotion and social services.
