McIntosh For the Love of Music Ken Kessler

A fascinating history of an audio legend "Even though this book is published by McIntosh itself, it is as candidly revealing as any business history I have read from an independent publisher. McIntosh: "...for the love of music..." is not a happy-slappy PR puff piece but a genuine history. Indeed, I found the behind-the-scenes business chapters to be absolute page-turners.... "As we've come to expect from Ken Kessler projects, the production values are lavish. The cover and book and the book's entire color scheme reflect McIntosh's black-and-gold glass faceplates and blue meters. The photographs, photo editing and layout are fittingly world-class. There is even a bound-in gold ribbon for a bookmark. In addition to a foreword and introduction, there are 19 chapters of content, four appendices (including a timeline), an index a bibliography, and lists of McIntosh products by model number an name. "Well done. Highly recommended - even if your amplifier doesn't sport big blue meters." Excerpts from book review by John Marks, Stereophile magazine

You can m0ore effortlessly to read this book through your smart phone. The price is not too costly but this book offers high quality.

Lavonne Yates:

This McIntosh For the Love of Music is great e-book for you because the content which can be full of information for you who have always deal with world and have to make decision every minute. This book reveal it details accurately using great organize word or we can claim no rambling sentences inside it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but difficult core information with lovely delivering sentences. Having McIntosh For the Love of Music in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no book that offer you world throughout ten or fifteen minute right but this publication already do that. So , this is certainly good reading book. Hi Mr. and Mrs. stressful do you still doubt which?
