Renowned leadership expert Eric Chester has gone straight to the source--top-tier leaders of the world's best places to work to uncover their best practice strategies for **getting employees to work harder, perform better, and stay longer**.

On Fire at Work features examples and original stories from **exclusive personal interviews** with over 25 founders/CEOs/presidents of companies like Marriott, Siemens, BB&T Bank, Wegmans, 7-Eleven, Hormel, Canadian WestJet, Ben & Jerry's, and The Container Store, along with smaller companies like Firehouse Subs, the Nerderly, and Build-A-Bear. The guiding principle is that any organization in any industry--from Fortune 500 firms to mom-and-pop shops--can learn how to bring out the very best in their employees.

The book's content-rich research and conversational case study-based narrative make it a timely, **actionable go-to reference** on employee performance and productivity for C-level execs, corporate and government managers, HR professionals, and small business owners.

On Fire at Work* is a practical field guide that any organization can implement to build, not an engaged workforce, but a workforce that's *on fire!
