*Hit the erotic jackpot.*

Diana Marsh is trying to change her wicked ways. She's even dating a guy everyone agrees is prime husband material—conservative and boring, everything her family could wish for.

There's only one secret vice left to eliminate: Marc Davenport, the super-sexy co-worker she's been flirting with online. A business trip to Las Vegas is her opportunity to do just that, to sow the last of her wild oats with Marc before retiring behind the white picket fence. And where better than the ultra-erotic playground of Sin City?

A new job awaits Marc in France, and a casual fling with Diana is the perfect send-off—together they indulge in every conceivable hot and scintillating fantasy the town has to offer. Even if her resolve to turn off her sensual nature bothers Marc, he reminds himself that their naughty games are only temporary and she's a determined woman with a plan.

However, when the two are ripped apart without warning, all bets are off. To Marc, Diana's wild side is too beautiful to be contained. Too beautiful, he suddenly realizes, to let him walk away without playing to win.

*Warning: Contains a full deck of erotic delights and a heroine who's holding all the cards—three of a kind and everything's wild. Who says the house always wins?*
