Commercial Drafting and Detailing

Alan Jefferis, Kenneth D. Smith

Commercial Drafting and Detailing Alan Jefferis, Kenneth D. Smith

The only book of its kind on the market today, **COMMERCIAL DRAFTING AND DETAILING**, 4E will give you everything you need to gain a solid understanding of commercial drafting and detailing - it's all here, in one comprehensive resource. The fourth edition maintains the winning features of its previous editions; clear explanations and professional, practical examples that walk you through the architectural and structural drawings required in a complete set of commercial plans. It then builds on these successes by increasingly integrating design components into each chapter, replacing free-hand sketches with CAD skeleton drawings, and updating the information to reflect the 2015 International Building Code. The end result: a valuable tool that will keep you up-to-date on the most current industry trends and prepare you to succeed.
