## **Dandelion Wine (Greentown Book 1)** Ray Bradbury

Ray Bradbury's moving recollection of a vanished golden era remains one of his most enchanting novels. *Dandelion Wine* stands out in the Bradbury literary canon as the author's most deeply personal work, a semi-autobiographical recollection of a magical small-town summer in 1928.

Twelve-year-old Douglas Spaulding knows Green Town, Illinois, is as vast and deep as the whole wide world that lies beyond the city limits. It is a pair of brand-new tennis shoes, the first harvest of dandelions for Grandfather's renowned intoxicant, the distant clang of the trolley's bell on a hazy afternoon. It is yesteryear and tomorrow blended into an unforgettable *always*. But as young Douglas is about to discover, summer can be more than the repetition of established rituals whose mystical power holds time at bay. It can be a best friend moving away, a human time machine who can transport you back to the Civil War, or a sideshow automaton able to glimpse the bittersweet future.

Come and savor Ray Bradbury's priceless distillation of all that is eternal about boyhood and summer.
