Peter Alan wants to have some fish over for a visit, but what happens when the creatures of the sea take him up on his offer? Something fishy, of course! At first, their visit is all fun and games, but then, things really start to get out of hand? Watch out for a bucking bull shark at the rodeo, the invasion of a slimy school of fish, and many other playful pictorial puns hidden in these striking, surrealistic illustrations. An endpaper identifying over 30 species of fish appearing in the book is an educational bonus. Here is a fantastic flight of fancy that every child will savor, with a subtle message: Be careful what you wish for!
