## **Los Gitanos de Espana (Spanish Edition)** Lea Horak

Seminar paper del año 2011 en el tema Romanística - Español, literatura, cultura general, Nota: 1,3, Universität Bremen (Hispanistik), Materia: Thematische Einheit I - Landeswissenschaft, Idioma: Español, Resumen: Hace muchos años unos cientos de personas vinieron a España en busca de una vida mejor. Pero lo que encontraron los gitanos eran principalmente políticos brutales y vecinos intolerantes. Durante su larga estancia en España lograron sobrevivir a muchos intentos de extinción y hoy en día forman la minoría étnica más numerosa del país. En mi trabajo me centro en el trato de los gitanos españoles por parte de los políticos y otros ciudadanos españoles y no me ocupo explícitamente de los gitanos extranjeros recién llegados. Por consiguiente daré algunos datos fundamentales sobre los gitanos y después esbozaré su historia desde su salida de la India hasta la Constitución Española de 1978. A continuación me concentraré en los problemas actuales que tienen los gitanos españoles y finalmente haré una conclusión del tema.
