Los mundos de Haruki Murakami (Ensayo nº 2) (Spanish Edition) Justo Sotelo

Los mundos de Haruki Murakami, de Justo Sotelo, es el primer ensayo en español que analiza con extensión, rigor y amenidad el corpus narrativo del escritor japonés, desde la perspectiva de los mundos posibles.

Murakami es el escritor japonés más leído y traducido en el mundo, quizá porque ha entendido cuáles son los problemas que afectan a los seres humanos. En esta época están aumentando los problemas del espíritu, con personas cada vez más solas, aisladas, dominadas por enfermedades que no sólo provienen del exterior, sino de su interior.
