Michael, Taylor, Ostin, and the rest of the Electroclan go on their most dangerous mission yet as the thrilling action continues in this electrifying fifth installment of the *New York Times* bestselling series!

The Electroclan is on the run. The resistance movement has been compromised. The safe house has been destroyed. The voice is in hiding, and they have no idea if their families are alive...or dead.

Meanwhile, the Elgen are on the move. They've launched a new assault on the small island nation of Tuvalu. If they are successful, it will be the first domino to fall as part of Hatch's master plan to take over the rest of the world. But cracks are beginning to appear in the ranks of the Elgen elite, and while Hatch still rules with an iron fist, there are signs of dissent. If the Elgen are beginning to turn against each other, can the Electroclan find an opportunity to use this to their advantage? Or is it just a trap to destroy them once and for all?

The stakes have never been higher, and Michael and his friends are about to be tested in ways they never imagined.
