The Colt Pocket Hammerless Automatic Pistols John W. Brunner

This is the book that Colt collectors have been waiting nearly 30 years for. For the first time, a detailed historical record of the development and use of these pistols, together with a detailed listing of general officers' pistols and serial numbers. You will never again have to question a .25, .32, or .380 with this well illustrated, definitive reference guide at hand. Has your pistol been altered? Which general officer carried what pistol? This volume is extensively illustrated with many very rare variations of Colt pistols all photographed in fine detail for the collector. Written by the man the experts call for assistance, this study has been in preparation for more than three decades.
