**The Nethergrim** Matthew Jobin

**The Next Great Fantasy Epic is here! For fans of Ranger's Apprentice and the Chronicles of Narnia.**

Everyone in Moorvale believes the legend: The brave knight Tristan and the famed wizard Vithric, in an epic battle decades ago, had defeated the evil Nethergrim and his minions. To this day, songs are sung and festivals held in the heroes' honor. Yet now something dark has crept over the village. First animals disappear, their only remains a pile of bones licked clean. Then something worse: children disappear. The whispers begin quietly yet soon turn into a shout: The Nethergrim has returned! Edmund's brother is one of the missing, and Edmund knows he must do something to save his life. But what? Though a student of magic, he struggles to cast even the simplest spell. Still, he and his friends swallow their fear and set out to battle an ancient evil whose powers none of them can imagine. They will need to come together--and work apart--in ways that will test every ounce of resolve.

## **Praise for THE NETHERGRIM**

"This series starter is reminiscent of epic fantasy series such as C.S. Lewis' *The Chronicles of Narnia* or J.R.R. Tolkien's *The Lord of the Rings*. The characters are strongly drawn and . . . [t]here is a compelling blend of magic, romance, looming evil, and noble sacrifice.--VOYA

"The Nethergrim reminded me of a cross between *The Lord of the Rings* and *Harry Potter*. . . I would really like to see this one on the big screen." --*Brodart's Library Services*

"Entertainingly told with many unique features, *The Nethergrim* reads like a classic." --*Recommended by Richard C., Powells.com [Staff Pick at Powell's Books]*

"I'd go ahead and say everything about this book screams BLOCKBUSTER FILM."--*The Social Potato Reviews*

"Riveting. Perfect for imaginative middle-grade readers craving a hearty magical adventure."--*Booklist*

"Fantasy fans will find much to enjoy in this elegant gem of a novel."--*BCCB*

"First in a planned trilogy, this is a solid debut for anthropologist Jobin, who steers clear of genre clichés while offering up a refreshingly metaphysical take on magic, a believably dark setting filled with unusual threats, and a seductive and manipulative villain."--*Publishers Weekly*
