Antony Johnston

Wasteland Book 3: Black Steel in the Hour of Chaos Antony Johnston

The third electrifying collection of Antony Johnston and Christopher Mitten's sci-fi western epic arrives! One hundred years after the world-changing catastrophe known as the "Big Wet", the city of Newbegin faces its most dangerous challenge yet ? an army of Sand-Eaters bent on destruction! Jakob joins the Watch to defend the city, and intrigue grips the council, as politics, religion, and high explosives combine to make a book that The Onion AV Club said, "Radiates in about a dozen conceptual and philosophical dimensions at once... in essence and execution, it rivals Hayao Miyazaki's masterful epic Nausicaä"!
