Children Of The Second Birth: What We Used to Be Like, What Happened, and What We Are Like Now Samuel M. Shoemaker

An early Sam Shoemaker book originally published in the 1920s, *Children of the Second Birth* is filled with stories of men and women who had their lives changed by turning to God; stories of people who, under the guidance of Sam, utilized the Oxford Group principles and found miracles. These men and women came from the depths of desperation and despair to places of happiness and joy. The touching journeys that they went through gave others the hope that they too could have a new life filled with peace and serenity. People today can achieve the same results as the people mentioned in this book. All that is required is to follow what they did. May these true-life accounts help you or your loved ones find the Happiness of God.
