From Every End of This Earth: 13 Families and the New Lives They Made in America Steven V. Roberts

New York Times bestselling author Steven V. Roberts follows the stories of thirteen immigrant families in *From Every End of This Earth*, a poignant and eye-opening look at immigration in America today. He captures the voices of those living the promise of a new land—and the difficulties of starting over among strangers whose suspicions increasingly outweigh their open-armed acceptance. As the political debate rages on, Roberts sheds light on the enormous contributions immigrants continue to make to the fabric and future of America.
