A Clock Without Hands Guy Burt

“I want to turn back the hands on the clock and change it all, make it different; three friends who meet up by chance in an old city and share a beer and laugh at old stories and jokes. But it wasn’t like that; and the clock has no hands, so I can’t turn them back.” [p.171]

Alex Carlise has returned to a place he thought he’d never see again, outside of his dreams. As he walks the ochre-dusted road to the house in which he grew up, the memories of his young life in a small Italian town push all other thoughts out of his head: thoughts about the major exhibition of his artwork opening soon in London, thoughts of the myriad things he should be doing in preparation—everything subsides to make room for the warm flood of a time long past.

When he opens the door to the now-deserted house, he is suddenly seven again. There is Jamie, his first friend, his best friend; Anna, his first love; and the delicious days they spent exploring the valley and swimming in the cerulean blue Mediterranean Sea. It all comes back to Alex in a way he can neither control nor discern. But the memories are insistent, demanding. Soon Alex loses entire hours to the past, overwhelmed by the haunting memories of a youth turned tragic.

Alex remembers the day he, Jamie, and Anna went to their favorite place, an abandoned church far up in the hills. There they stumbled upon a man, injured and sick. From this discovery, a series of events tumbled forth that would change them all forever. Alex now realizes that he must confront the truth about himself, about the echoes of the past that still haunt him, and about the friends whose legacy has meant only devastation.

Guy Burt’s vision of youth is piercingly accurate, and his sense of how time can play tricks on the mind is startling. Haunting, eerie, and remarkably assured, *The Clock Without Hands* will resonate with the child that hides inside your own memories.

Henry Vance:

Your reading 6th sense will not betray a person, why because this A Clock Without Hands guide written by well-known writer whose to say well how to make book which might be understand by anyone who also read the book. Written with good manner for you, dripping every ideas and composing skill only for eliminate your current hunger then you still doubt A Clock Without Hands as good book not merely by the cover but also by content. This is one publication that can break don't determine book by its include, so do you still needing one more sixth sense to pick this kind of!? Oh come on your studying sixth sense already alerted you so why you have to listening to a different sixth sense.

James Cooper:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's heart or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this A Clock Without Hands can make you experience more interested to read.
