MICROECONOMICS: PRIVATE AND PUBLIC CHOICE, 14TH EDITION reflects current economic conditions, enabling you to apply economic concepts to the real world. The up-to-date text includes analysis and explanation of measures of economic activity in today's market. It also includes highlights of the recession of 2008-2009, and an in-depth look at the lives and contributions of notable economists.

MICROECONOMICS: PRIVATE AND PUBLIC CHOICE dispels common economic myths. The text uses the "invisible hand" metaphor to explain economic theory, demonstrating how it works to stimulate the economy. The 14th edition includes a robust set of online multimedia learning tools with video clips and free quizzes designed to support classroom work. A completely updated Aplia interactive learning system is also available--with practice problems, interactive tutorials, online experiences and more.
