Elizabeth Hollinger still has fond memories of playing video games with her mother and sister in the wee hours of the morning before catching the bus to go to school. She swears that this latest trek through childhood is prompted only by the Japanese game manuals she translates for friends (both real and web-based). Really.

James M. Ratkos still finds time to fuss over the appearance of the website he and Beth maintain when not stressed out by his full-time job. In his spare time, he enjoys mountain biking through the huge, uh, hills in Michigan.
