I tried to be good. I really had. But the bulge in the man's pants called to me. I'd spend tomorrow being tormented by my husband, but I couldn't stop myself. I had an addiction and the fix was tucked into those jeans, and there was nothing I could do...

Not every slut should be punished the same way. Some women enjoy pain too much for a spanking to be effective, and so they must be punished in more creative ways. When Charlene gives into her need to cheat again, her husband may begin her punishment with **nipple clamps, a crop, and a 12-inch toy**, but he certainly won't stop there.

After she **passes out from the pain**, she'll wake up to another hooker sitting on the couch with her husband. Except she's only 19, and they're both naked. Charlene's punishment will continue as she's **humiliated and used as just another toy** in her husband's exploration of the woman half Charlene's age.

She'll be **degraded, humiliated, and covered in filth** as they both use her body however pleases them. Her tongue will get a workout as she's made to lick the hooker until she's good and wet, and then she'll have to **tease her husband's backdoor** with it while he pounds a woman that isn't even old enough to drink!

After she's exhausted and covered in fluids, she'll be taken to an **all-black** frat party where she'll be the main event. Yes, that's right, she'll go from being a slut wife into a true prostitute. Her holes will be stretched as these big black studs fill her without any mercy.

Maybe she'll learn her lesson... or maybe she'll cheat again so that she can be punished all over again...

This 10,000 word story contains a 4200 word excerpt from my debut Dark BDSM Romance Novel, *Torn*.
