## **Village View: A year on Symi (In colour)** James Collins

This is the colour edition. A year living on Symi, a Greek island. James' blog posts from 2013, edited and set out in printed form with images by Neil Gosling, take us through one whole year living on a small Greek island in southwest Greece. From winter storms to summer visitors, from photo walks to book signings, and from goats to shrimp festivals, Village View gives us an upfront, honest and mildly edited account of James and Neil's eleventh year on Symi. "Symi's charm is in its people and the minutiae of their lives; James's great talent lies in his careful observation of the absurd and the amusing, the dramas and the difficulties, because nothing in Symi is ever simple, and in reporting what he sees with kind humour and a writer's eye for the details essential to lively travel writing." Anne Zouroudi, author of Bloomsbury's Greek Detective mysteries.
