Diamond Log Cabin: Tablecloth or Treeskirt Frieda Harrod

Eleanor Burns and Frieda Harrod have combined efforts to create a quick and impressive version of this traditional pattern. Their construction of the Diamond Log Cabin is based on quick assembly-line sewing and strip piecing methods from the Quilt in a Day® Log Cabin book. However, the design is taken one step further with rotary cutting on a 60 degree line. Make an impressive tablecloth, and for the holidays, a unique skirt for your tree. The approximate size is 74" across center.
