**DUCY? Exploits, Advice, and Ideas of the Renowned Strategist** David Sklansky, Alan N. Schoonmaker Ph.D.

When Jim McManus, author of the New York Times best-seller, *Positively Fifth Street*, read our manuscript, he wrote, Whenever I read something by David, I never fail to learn new things about the world. The book is fantastically illuminating, well written, works as a kind of autobiography, and AI's input is effective as commentary.

You will probably feel the same way by seeing how creatively combining math, logic, psychology, and probability theory can solve problems you might have previously regarded as unsolvable. Your ability to identify and even manipulate other people's thoughts and desires should improve, as well as your ability to understand and resist other experts who attempt to do the same thing. And this book will almost certainly put money in your pocket.

The title, DUCY?, was taken from our forums at [twoplustwo.com](http://twoplustwo.com). To encourage people to think better, David would often ask, Do you see why? before fully explaining his conclusions or advice. Forum participants created the acronym and started using it themselves, and it became so popular that the following definition now appears in the Urban Dictionary:

Abbreviated form of Do you see why? Commonly used on online forums; originated from the Two Plus Two Poker Community.

We believe that the term does a good job of capturing the essence of this book.

Exploits, Advice, and Ideas of the Renowned Strategist.

#### **Kristopher Sutherland:**

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see

colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this DUCY? Exploits, Advice, and Ideas of the Renowned Strategist can make you truly feel more interested to read.
