Morphoses (Apprivoisé Trio) (Volume 2) Arden Aotide

Morphoses is a story of transitions. Miranda Marchand, manager and proprietor to Club Dishabille, has a bit of a secret. She's not ashamed, but she'd rather not have to explain herself to men she might bring to her bed. A chance meeting in a secluded hallway with one Nicholas Jones, ex-husband of Dahlia Warwick, exposes her turgid secret. It transformed her opinion about future possibilities. She wants Nick. She wants to see how far she can push him. She wants him on his knees... Nick can't get enough of her. While he indulges Miranda, he has his own transformation that takes him kicking and screaming into a functioning sexual relationship, and he learns to let go of deeply held guilt from his previous marriage. Morphoses is an epicurean adventure for those who are ready for a bit more than just a spanking and some erotically hot kink.
