Amanda's husband, Cuban pop star Alejandro, believed he was doing right by his wife when he left her on her parents' farm in the familiar shelter of Lancaster's Amish community. Amanda, however, has other ideas. Unwilling to sit idly by and hide from the paparazzi, she follows her husband to Europe for the start of his world tour to find out if their marriage can be saved once and for all.

When the two reunite, it's plain to see that their love is stronger than their differences. But as they travel together, Amanda is surprised to discover that her own fame is beginning to match her husband's. Now she must struggle to bridge her Amish upbringing and a new, unasked-for role in the public eye. As other unexpected tensions challenge their bond, can Amanda and Alejandro keep their promises and make space for her faith, his fame, and a growing love?
