ALA Reading List Award for History, Short List

A thrilling tale of high-altitude death and survival set on the snowy summits of Mount Everest, from the bestselling author of *The Terror*

It's 1924 and the race to summit the world's highest mountain has been brought to a terrified pause by the shocking disappearance of George Mallory and Sandy Irvine high on the shoulder of Mt. Everest. By the following year, three climbers -- a British poet and veteran of the Great War, a young French Chamonix guide, and an idealistic young American -- find a way to take their shot at the top. They arrange funding from the grieving Lady Bromley, whose son also disappeared on Mt. Everest in 1924. Young Bromley *must* be dead, but his mother refuses to believe it and pays the trio to bring him home.

Deep in Tibet and high on Everest, the three climbers -- joined by the missing boy's female cousin -- find themselves being pursued through the night by someone . . . or something. This nightmare becomes a matter of life and death at 28,000 feet - but what is pursuing them? And what is the truth behind the 1924 disappearances on Everest? As they fight their way to the top of the world, the friends uncover a secret far more abominable than any mythical creature could ever be. A pulse-pounding story of adventure and suspense, *The Abominable* is Dan Simmons at his spine-chilling best.
