If there are genuine questions about Australian history, there is something to puzzle over. The history ceases to be predictable—and dull.

From the author of *The Shortest History of Europe*, acclaimed historian John Hirst, comes this fresh and stimulating approach to understanding Australia's past and present.

Hirst asks and answers questions that get to the heart of Australia's history:

- Why did Aborigines not become farmers?
- How did a penal colony change peacefully to a democracy?
- Why was Australia so prosperous so early?
- Why did the Australian colonies federate?
- What effect did convict origins have on national character?
- Why was the postwar migration programme a success?
- Why is Australia not a republic?

Engaging and enjoyable, and written for the novice and the expert alike, *Australian History in 7 Questions* explains how we became the nation we are today.
