**He Has Found His Soul's Desire. . .**

The Dark Gift has brought Roshan DeLongpre a lifetime of bitter loneliness--until, by chance, he comes across a picture of Brenna Flanagan. There is something hauntingly familiar about her, something that compels him to travel into the past, save the beautiful witch from the stake, and bring her safely to his own time. Now, in the modern world, Brenna's seductive innocence and sense of wonder are utterly bewitching the once-weary vampire, blinding him to a growing danger. For there is one whose dark magick is strong...one who knows who they both are and won't stop till their powers are his...and they are nothing more than shadows through time...
