## **Pandering** Heidi Fleiss

In a stunningly candid and courageous memoir, the notorious Hollywood Madam tells her own story for the first time. From a lucrative babysitting empire at the age of 13 to a global network of call girls and customers that stretched from Los Angeles to Kuwait, Heidi Fleiss built and ran the most glamorous and obscenely successful sex business in history. Her spectacular rise and fall captivated the country in the early 90's, even as it terrified Hollywood's power elite. Featuring original text, wiretap transcripts, court documents, news clippings, diary excerpts, interviews with hookers, and fantastic original artwork, Heidi tells her story with a fierce regard for the truth. At turns political, passionate, poignant, funny, sexy, angry, outrageous, and wise, *Pandering* is arguably the bravest and most provocative visual memoir ever published — a book that will make headlines all over again.
