Peculiar Portrayals: Mormons on the Page, Stage and Screen

Peculiar Portrayals: Mormons on the Page, Stage and Screen

In a time when Mormons appear to have larger roles in everything from political conflict to television shows and when Mormon-related topics seem to show up more frequently in the news, eight scholars take a close look at Mormonism in popular media: film, television, theater, and books.

Some contributors examine specific works, including the Tony-winning play *Angels in America*, the hit TV series *Big Love*, and the bestselling books *Under the Banner of Heaven: A Story of Violent Faith* and *The Miracle Life of Edgar Mint*. Others consider the phenomena of Mormon cinema and Mormon fiction; the use of the Mormon missionary as a stock character in films; and the noticeably prominent presence of Mormons in reality television shows.
