What people are saying about this bookRe-Introducing God illuminates the relational nature of our Creator. It introduces God as man's helper on earth. It shows Him communicating with men, feeding men, rebuking men, lifting men, refining men, and rescuing men from their enemies. It forces us to see God in a different light, as a loving, loyal, father who keeps vigil over the most treasured of all his creation - us!! The motive of all his actions can be summarized in three simple words: I Love You. Sean BarnesEvangelistNorth Dade Sector, South Florida Church of Christ My wife and I have found this book, Re-Introducing God, most invigorating in our lives and the lives of the various ministries of our church. As pilgrims, we are reminded we must live our lives in preparation for the end of our earthly journey in order to begin our heavenly journey.Rev. Dr. Willie & Velma Harris, Pastor of First St. John Missionary Baptist Church - Naranja, Fl. While many people talk about a relationship with God, most times it rings of "book learning" and not a walk through life with your Good Father at your side. Richard's perspective is anything but. To read this work is to get glimpse into the very heart of an ever active, ever involved Father; He who has been consumed with building an eternal family from the beginning, who continually, hopefully bids us come and drink, and who ceaselessly works and thinks on our behalf to draw us more deeply and securely therein. I have marveled at Him, grown to know Him much more richly and become attached to Him in a new way as a result of Richard's insightful (and entertaining) writings. Neal Jordan - St. Louis, MO
