White Foods (Read & Learn: Colours We Eat) Patricia Whitehouse

"Read and learn" is a collection of non-fiction books aimed at helping young readers discover and understand the world around them; and to provide a bridge from the Foundation Stage into Key Stage 1. The "Colours We Eat" books use colour to categorize food, rather than traditional food groups. They introduce different foods and colours and include scientific information about plants and food aimed at young readers. Chapter headings are designed as child-friendly questions to help children focus and learn.
