War Against the Panthers: A Study of Repression in America Huey P. Newton

As co-founder of the Black Panther Party, Huey P. Newton knew repression first hand. Surviving a shooting in which one police officer was killed and another wounded, Newton became the symbol of Black urban resistance in the United States. Obscure until now, Newton's valuable Ph.D. dissertation War Against the Panthers offers an insightful reconstruction that could have only been written by a key participant in the events.
