Sadie Miller is attempting to change her ways and hide somewhere no one knows her former self. She only wants to finish her final year of college, obtain her degree, and get out from the hold of her affluent parents. Then she meets Brady Carsen, the lead singer of The Invisibles, a popular local band in the college town. She tries to stay away but quickly realizes that, although he might not be what she's used to, he's exactly what she needs and more importantly, everything she could possibly want.

Unfortunately, Sadie's troubled past left her with insecurities that make her question Brady's true intentions. And while Brady is convinced that Sadie is the one for him, he has his own secrets that he fears will be their undoing. If they want to be together, they will have to stand united and fight the outside influences that are threatening to tear them apart. Can they put their pasts behind them for good in order to secure their future?

This Series is complete with 5 standalone novels. Each book can be read independently from the others, but will be more enjoyable if you read in order.

Don't Let Go (#1)

Let Me In (#2)

Let Me Love (#3)

Can't Let Go (#4)

Let Me Go (#5)

"Loved. It! What a great love story and not one that's like anything you've read before, I guarantee it. Brady and Sadie's relationship is one for the ages- both of them believing they are not good enough for each other because of the ghosts from their past that still haunt them but both agreeing they can't live without each other. This was one of my favorite reads this year" ~ Kellie from Eye Candy Bookstore
