The historic Marvel Age of Comics comes to life with this collection of rare, archival-quality poster-sized reproductions of the past. Classic covers are presented in this unique, eco-friendly format for the avid collector as well as the casual fan. Each 20x28 inch poster is printed on premium, archival-quality, 100 percent recycled paper with soy-based inks, and fits in a standard poster frame. As a rampaging Doctor Doom terrorizes the world with cosmic power stolen from the Silver Surfer, Black Bolt leader of the insular Inhumans frees his people from their imprisonment in the Hidden Land by speaking aloud. The sonic power of his voice devastates their city as well as the barrier that encased it, forcing the Inhumans to leave their home. From star-faring surfers and genetically-enhanced hermits to armor-clad despots, the FFs friends and foes are unlike any other comic book cast. (Doomsday, February 1967) This is an officially licensed product of Marvel Comics.
