How can I know God's will for my life? Should I expect God to reveal it to me mystically, or has He already revealed His wisdom in Scripture, which enables me to be wise in my decision making? What faulty methods should I avoid in making decisions, and how can I apply biblical wisdom? Far too many have been paralyzed with indecision because they are looking for a mystical inside track to a new revelation from God. In *Free to Be Wise: A Guide to Biblical Decision Making*, Kirk Youngblood explains how you can avoid the common pitfalls of using a mystical approach to biblical decision making. You will be liberated to follow the wisdom God has already revealed in His Word. Youngblood has thoroughly researched this topic and explains the mysticism versus wisdom paths to learning God's will for your life in a clear and easy-to-understand manner. The Bible gives clear instructions about how we are to live: we are to walk in wisdom and take advantage of every opportunity to accomplish God's will. *Free to Be Wise* will help you learn how to do so. Pastor Kirk Youngblood deals with the most personal and practical issue that any Christian will ever face - knowing and obeying God's will. He incisively exposes wrong approaches balanced by an exposition of the authentic biblical way. This book's breadth and depth ensures that the reader will never need another volume on God's will in order to consistently make God-honoring decisions in life. It deserves the "must read" label.
